

FULTON COUNTY TRIBUNE.

VOL XXXII NO 40

WAUSEON, OHIO, FRIDAY JANUARY 14 1916

\$1.50 PER YEAR

COURT PROCEEDINGS

Dismissed Until March—No State Cases Left For Jury To Act On—Civil Cases Disposed Of—New Cases Filed—Court of Appeals.

The Court, the Prosecuting Attorney, Clerk and Sheriff all seem to be in a conspiracy to expedite legal procedure in Fulton county. First the grand jury walks through ten cases in one day, next the petit jury is permitted to get in just one day of service, the bar docket is getting thinner and thinner, the critics who inveighed against the dilatory methods of the court are out of a job and the newspaper men are running short on copy.

The petit jury convened Monday and tried one case, that of Baumgardner & Company vs. Lola P. Cramer; money only; the verdict was for the defendant, "no cause for action"; there being no other cases for the jury at this time they were dismissed until March. No State cases were brought before the petit jury for the reason that all seven cases had been adjudicated by the court in such a way that it was unnecessary to bring them to jury trial.

Other action in Common Pleas Court since our last issue are as follows: Daniel Welch vs. Harry E. Welch; partition and equitable relief; Leave to plaintiff to amend by interpleading by Saturday of first week.

Caroline Barnard vs. Frank Rosy; money only; Settled and dismissed; attachment released. Arthur Puchos vs. Francis Gamble et al; partition; Report of sale approved and confirmed; purchaser acting to pay entire purchase price in cash ordered that same be received by sheriff and distributed. Sheriff ordered to execute good and sufficient deed to premises. Sheriff ordered to distribute as follows: First, taxes; second, costs of suit including \$300 attorney's fee to Files & Paxson; third, balance to be distributed according to law.

Globe Stove and Range Company vs. H. J. Gelinek et al; money only; Remanded to C. P. Court from Court of Appeals for new trial; Leave granted to plaintiff to file amended petition by Saturday of first week.

State of Ohio vs. Chas. Hovey; non-support; Defendant arraigned, pled "not guilty." Bond fixed at \$100. Defendant released on his own recognizance.

State of Ohio vs. Amos Leininger; misdemeanor, defendant arraigned, reading of indictment waived, pled "guilty," passed for sentence.

The following new cases have been filed in this court: Esther Fetterman vs. Claude Fetterman; divorce.

Ada M. J. Bretthauer vs. John A. Bretthauer; divorce and alimony.

Arthur Shambarger vs. Charles Shambarger, Frances Shambarger and Frankie Knapp, Jr.; Transcript from court of Justice O'Neil; Case, for conversion.

The following decisions from the Court of Appeals have been filed by the clerk.

Arthur Bryman vs. Ida Rose Williams; partition; Decree fixing priorities the same as made in Common Pleas Court; entry to be approved by counsel; remanded to C. P. Court for execution.

Harry D. Evans et al vs. Lottie L. Sherman et al; Decree for plaintiff; conveyance set aside for benefit of creditors.

Possession of premises and proceeds thereof awarded to trustees in bankruptcy; remanded to Common Pleas Court for execution.

NOTICE. The firm Trondle Brothers are going to dissolve partnership; all in debt to this firm settle by January 15th. The business then will be continued by John Trondle. 39-2-p

BOOSTERS CLUB

First Regular Meeting For 1916—

Fair Attendance — Down To Business — New Lines of Co-operative Work Among Business Men Discussed — Plans for The Future.

There was a fair attendance at the first regular meeting of the Wauseon Boosters Club, for the year 1916, at the Toledo & Indiana Railway building last Monday evening. President G. E. Howe was in the chair and secretary L. H. Deyo at his post, bills against the club were presented and allowed. A communication from the Ohio Good Roads Federation regarding the possibility of holding a good roads meeting in Wauseon at the building and maintenance of roads should be demonstrated, was referred to Messrs. Reighard and Deyo for action.

The relation of this club to the Fulton County Agricultural Improvement Association was discussed and the fact established that the purpose of this club has been and is to afford an opportunity to the farmers of the county to organize such an Association and to aid them in any way it can in perfecting such an organization and securing the help along the line of agricultural improvement and the solution of farm problems which have provided federal and State legislation. A motion was carried that the Club stand back of the officers of the Agricultural Improvement Association to render any assistance that such officers might need in presenting the matter to the farmers of the county.

The matters of co-operative systems of credits, giving to charitable causes and outside advertising were brought before the club; after considerable discussion a motion prevailed that committees of three be appointed to perfect plans for practical application of these several lines of co-operation and Messrs. Wager, Otto Funkhouser and Knight were appointed a committee on credits. Messrs. Kenyon, Howe and Runkert committee on benevolences, and Messrs. Meister, Vollmer and Guilford on advertising. Superintendent Perry announced a Farmers' Institute on Wauseon Friday and Saturday January 21st and 22nd and the club adjourned to the next regular meeting February 14th.

Dr. Bell's Pine-Tar-Honey. For your cold, for your cough, for your feverish throat, nose and head, use Dr. Bell's Pine-Tar-Honey. Honey soothes the irritation, Pine-Tar cuts the phlegm, thus relieving congestion. Pine Tar also acts as an antiseptic, as a result general relief follows. Breathing becomes easier and further inflammation is arrested. Insist on Dr. Bell's Pine-Tar-Honey. It is an ideal treatment. Price 25c.

BENEFIT SKATING PARTY. In order to meet unpaid bills against the Wauseon Base Ball Team. There will be a Benefit Masquerade Skating Party at Saunders Hall on next Tuesday evening January 18th. Prizes will be given to the two persons appearing in the best "make ups".

EASTER SEASON.

"To everything there is a season and a time to every purpose under the heaven." Eccl. 3, 1. A favorable season for calling men from sin to righteousness, from the world and worldliness to the church and godliness is the pre-easter season. Especially poignant is the custom of becoming quite prevalent among the churches, generally to hold special services a week or ten days at this time of the year culminating with Easter. We wish to begin the beautiful and fitting custom in our city this year. Several of the churches are planning on this and we believe that they should be given the right of way for the time being. Hence we suggest to the citizens of Wauseon the fitness of refraining from all public suppers, parties, ball games and social functions of all kinds for at least a week or ten days preceding Easter. We believe that you will see at once the reasonableness of our recommendation and we wish to assure both for adults and young people of your co-operation in this matter. Wauseon Municipal Association.

BASKET BALL

Wauseon High School Boys Score A

Victory Over Montpelier Visitors Last Friday Evening—Wauseon Grades Also Victorious. Napoleon High vs Wauseon High at Saunders Hall To-Night.

About 400 people gathered last Friday evening to witness the Basket Ball games between the Montpelier High School team and that of the Wauseon High, also the battle of the West Unity Grades against the Wauseon Grades. Wauseon boys were victorious in both games much to the delight of the Wauseon rooters who were out in splendid array.

The teams from Montpelier and West Unity were unaccompanied by any of their home folks, but they were fine fellows and played a clean game.

The score was 43 to 11 in favor of Wauseon in the Montpelier-Wauseon game, and the Wauseon Grade Boys kept up the enthusiasm of the Wauseon Rooters by putting it over the West Unity Boys by a good wide margin.

The Wauseon High School team is composed of: Snyder, Captain, Griffin, center, Harry Sweeney left forward, Parley right guard, Harold Sweeney left guard; Harold Bayes, Frank Ufer and Lloyd Abbes substitutes.

Not so very many moons ago the above aggregation invaded the ball-court of the Napoleon High School team and were very efficiently beaten by a score of 40 to 27 in favor of the Napoleon who out classed the Wauseon warriors in size and in weight.

But the blood of the Wauseon warriors is up since they attached the scalp of Montpelier, figuratively speaking of course, to their girdle, and Friday night, January 14th these same Wauseon braves will meet the Napoleons on their own camping ground at Saunders Hall and the result is likely to be intensely interesting.

MRS. CORDELLA LYON. The funeral services for Mrs. Cordelia Lyon whose decease was chronicled in these columns last week was held at her late home on Clinton street last Friday afternoon at two o'clock conducted by Rev. C. N. Pond.

D. D. of Oberlin, a former pastor and a long time friend of Mr. and Mrs. Lyon.

The passing of Mrs. Lyon removes from this community one of the oldest residents, one who was widely known and very highly esteemed and loved by those who knew her.

Mrs. Lyon was a member of the Congregational church of Wauseon for nearly fifty years and her life during all these years has been an exemplification of the faith which she professed.

Owing to the inclemency of the weather the burial in Wauseon cemetery was, at the request of the family private.

The following brief sketch of Mrs. Lyon's life was read by Doctor Pond at the service Friday afternoon:

Mrs. Cordelia Lyon, the subject of this sketch was born December 23, 1829 in West Cuyahoga, Massachusetts, and died in her home in Wauseon January 5, 1916 aged eighty-six years and thirteen days. The deceased was the daughter of Ebenezer and Nancy Torrey Shaw and one of a family of five children.

She was born on the farm adjoining the birth place of William Cullen Bryant and her father was for many years a school mate and intimate friend of the great poet.

In 1829 her father and mother decided to cast their lot with their nearest and friends who had decided to leave New England and seek their fortune in the then new West. Among their friends was the Lyon family with which she was to become identified in later years. The journey west was by wagon to Albany, New York, thence by canal to Buffalo, by lake boat to Cleveland from Cleveland to Wauseon, where she was to remain for the future home at Chatham Center, Ohio.

The little colony at once began the work of leveling the forests and building their log cabins. For many years she was the sturdy life of the pioneer, full of hardships but bound together by ties of friendship that never were broken. In 1849 the deceased was married to Marcus Lyon and they lived in Chatham until 1855. During this time two children were born to them but both died in childhood. In May 1855 they moved to Wauseon and there they lived until 1866, on the old Shaw home.

During this time the new home of many of their young Chatham friends. They remained in Wauseon three years and during this time the deceased taught school, raised her children and was a devoted Christian and a most loyal adherent to her church and its work. Since the death of Father Lyon in 1902 she has lived alone in her home here and has never lost interest in her neighbors and friends, children and grand children. With sight and mental faculties unimpaired by the ravages of time, her last days have been filled with joy and happiness and an abiding faith in her Master.

The influence of her life will be felt for years to come not only on the lives of neighbors and friends who had learned to love her, but upon the community in which she lived and was for so many years a pillar. The prayer uttered by her lips was the prayer taught her at her mother's knee in childhood. "Now, I lay me down to sleep."

To live such a life is not to have lived in vain we rejoice that ere this she has heard the "Well done good and faithful servant."

The Gift of It. "Last December I had a very severe cold and was nearly down sick in bed. I bought two bottles of Chamberlain's Cough Remedy and it was only a very few days until I was completely restored to health," writes O. J. Metcalf, Weatherby, Mo. If you would know the value of this remedy, ask any one who has used it. For sale by all dealers.

FULTON COUNTY EDUCATIONAL NOTES

The reports of attendance for the last month will be in the next week's news.

Fulton township centralized schools are to have their "School Visiting Week" next week. Scarlet fever prevented them from having it at the regular time.

A splendid attendance record was made by the Archbold eighth grade pupils in the first four months of the year. The total number of days absence was only five and one half, making the percentage of attendance for the time 99.82. This grade has an enrollment of nineteen pupils and the teacher is Miss Jessie Bloomer.

The Farmers' Institute at Fayette this week is certainly not forgetting the schools. Good substantial prizes are being given in all lines of school work. Prof. Biery and Supt. Perry are acting as the judges in the school display.

Official lists of words for the great State Spelling Contest to be held in Columbus June 2nd, 1916, are now in the hands of the teachers of the county. A number of preliminary contests will be held prior to the final county contest which will probably be May 19th.

A farmers' institute and school rally for Clinton township will be held at the court house January 21st and 22nd. Among the speakers for the occasion will be Prof. Biery, Dr. S. G. Boudreau of the State Department of Health, and Charles H. Allen of the Toledo Commerce Club. The schools of the township will do a considerable amount of class demonstration work, which should be of interest to all school people.

The rules and regulations of list of entries and premiums offered in the educational department of the Fulton County Fair for 1916 are ready for distribution. The Fair Board is certainly to be commended on giving this splendid opportunity to the schools to get their work before the people of the county and at the same time to receive a reward for the effort. Every teacher and pupil in the county should be a "booster" for the Fair.

A new and very interesting feature of the Fair will be the stock judging contest which will be open to all pupils who carry on during the summer months certain home activities under the direction of the State Agricultural Department and the school Superintendents of the county. Full particulars of this work will soon be given. It is hoped that every one who reads this announcement will encourage the boys of his community to take part in the contest. No better opportunity for developing the embryonic farmer could be offered.

"THEY DO COME BACK FOR IT." "They do come back for it" as it is claimed they do, no dealer can afford not to have Hanford's Balsam of Myrrh constantly in stock. It should be remembered that when a customer is unable to get a well known, old established preparation that he wants, he often switches his trade to the store that can supply his demands. Full information regarding this preparation, which is stocked by all leading jobbers, will be cheerfully supplied by the G. C. Hanford Mfg. Co., Syracuse, N. Y.

BOX SOCIAL. There will be a box social Thursday evening, January 27th, at the Beneth School, one mile north and six miles west of Wauseon, or three miles east of Burlington. Everybody is invited to come and have a good time.

OLGA BIXLER, Teacher.

Checks Have An After Value

When you see a man with a checking account "hand over" checks in payment, don't conclude that the whole service of a checking account has been performed.

Not at all. Checks have after-value. The bank "hands back" every check to the man who writes them. The checks return cancelled and have an after-value because they are legal receipts and sure records of past payments.

—another reason for starting your checking account here.
